### Spectacular Show -Fantastic Entertainment

JAN FORSTER reads, hears and perceives thoughts, divines and foresees what will happen. He controls participants so they will do what he wants... although they believe to follow their own mind. Quite eerie. People remain baffled for weeks...

But when JAN FORSTER as an entertainer to the core presents such a show it is the very best of entertainment. Easygoing, witty, lively, charming and always spontaneous. Modern entertainment with fun, intelligent and clever, interactive, but always discreet. Laughter and amazement are perfectly balanced. Even the most sophisticated audience will be thrilled by it. People might even discover own psychic abilities...
